Distribution & reader profile: Aims to keep the meat sector as a whole informed, addressing all stakeholders and reporting across the value chain to strengthen and promote it. Covers key topics in meat production from multiple angles: common and emerging additives, handling equipment, production and cutting machinery, hygiene and safety systems, packaging and refrigeration processes, consumer trends and solutions for the industry.

Virtual Fairs

The **Interempresas virtual trade fair** brings together **over 25,000 exhibiting companies** across more than 90 industry-specific sectors.

This key platform connects manufacturers, distributors and professionals through two specialised channels: **IEFeria**, focused on showcasing new industrial products, equipment and services; and **IEMaq**, dedicated to second-hand, used or surplus machinery and equipment offers. Together, they create a digital environment that enhances visibility, drives business opportunities, and fosters strong B2B relationships.

Digital Magazines

The sector-specific channels of Interempresas.net deliver relevant content and up-to-date news across more than 100 industries, targeting businesses and professionals alike. Articles, interviews, features, success stories, reports, expert opinions, market data and a calendar of trade fairs and events form the core of the leading digital B2B media platform in Spanish.

Newsletters

Over 760,000 professionals regularly receive a curated selection of industry-specific content straight to their inbox. This highquality B2B database boasts a delivery rate of over 99% and an average open rate exceeding 33%. Interempresas newsletters are tailored to match each user's interests, ensuring clear, targeted, and highly valuable.

Sector Alimentación y Bebidas: +3.800 receptores

Social Networks

Content is also shared via LinkedIn, as well as other platforms like Instagram and WhatsApp, creating active communities of businesses and professionals across each sector. The immediacy of the information and the use of audiovisual.
